I do agree with Dr. Seuss. He is right because in the story, Oh, The Places You'll Go, the little boy knows to make the right directions and in the quote it says the more things you will know. Also, reading makes you smarter and in the quote it says "The more things you read, the more things you know." Last, in the story, Oh, The Places You'll Go, the boy goes to all sorts of places. In the quote, it's says, "The more things you learn, the more places you'll go."
