FCTA - NEA Delegate - Active	Megan Smith

**FCTA Officers serve as delegates by purview of their office

1 -- All candidates who received votes for delegates to either convention will be considered as successful delegates if any of the elected delegates can not serve. For the MSEA convention we had many delegates who tied for number of votes and since that convention date is during next school year we will hold a run of election in the Fall if needed depending on the format of the convention determined due to the pandemic
